11th International Workshop on Launch and Re-entry Safety

Monday, 25 October 2021 - Tuesday, 26 October 2021

Virtual Workshop

Scientific Programme

The current plan for this 2-days virtual workshop (of 3 hours each) is to dedicate the first day (October 25) to launch safety topics, while the second day (October 26) should be focused on re-entry.
October 25th, 2021: Launcher Safety
October 26th, 2021: Re-entry
