European Space Thermal Engineering Workshop 2021

Wednesday, 13 October 2021

Thermal Design: Thermal Design (09:30 - 10:00)

-Conveners: Romain PEYROU-LAUGA

time	[id] title	presenter
09:30	[3] Thermal design, analysis, testing, and contact conductance characterization for a 27U satellite avionics assembly	SELVADURAI, Shanmugasundaram

Thermal Design: Thermal Design (16:00 - 16:30)

-Conveners: Romain PEYROU-LAUGA

time	[id] title	presenter
16:00	[28] Assessing the Influence of Plate Mechanics and Flatness on Performance of Dry Thermal Interface Solutions in Space Systems	GREEN, Craig
