Simulation for European Space Programmes (SESP2008)

Tuesday, 7 October 2008

<u>Simulation Based Development</u> - Newton Conference Centre (12:30 - 15:30)

   -Conveners: R. Hartmann

time	[id] title	presenter
12:30	[8] DLR's Virtual Satellite Approach	
13:00	Lunch Break	
14:00	[9] Functional Verification Environment: Current Status and Breakthrough	
14:30	[10] AOCSim: A Tool for Rapid Analysis on Satellite Dynamics and System Behavior during the Early Phases of a Project	
15:00	[11] SYSTEMA: An Open Framework for Engineering Applications
