Simulation for European Space Programmes (SESP2008)

Wednesday, 8 October 2008

Panel Discussion on Reference Architecture - **Newton Conference Centre (16:30 - 18:10)**

  -**Conveners: N. Sebastiao; N. Lindman**

time	[id] title	presenter
16:30	[26] Reference Architecture Overview and Benefits	
16:40	[27] Spacecraft Simulation Reference Architecture	
16:50	[28] Building a Reference Spacecraft Simulator Architecture	
17:00	[29] Spacebel Reference Architecture	
17:10	[31] Astrium SL Position on Reference Architectures for Simulation	
17:20	[30] Space Simulation Reference Architecture	
17:30	[32] Specification of Generic Software Requirements for Operational Simulators, Simulators, The First Step towards the Simulation Reference ArchitectureThe First Step towards the Simulation Reference Architecture
