Simulation and EGSE facilities for Space Programmes (SESP2010)

Tuesday, 28 September 2010

<u>Physics Modelling and 3D Visualisation</u> - Newton Conference Centre (11:30 - 13:00)

time	[id] title	presenter
11:30	[9] OpenIGS 2: A Non-Intrusive Middleware Framework for the Integration of Application and Simulation Components	
12:00	[10] HMI and Physics Engine Middleware Examples by Antycipsimulation	
12:30	[11] iMoted - 3D Virtual Reality Solution for Assembly, Integration and Test of the Space Segment
