

12th Geant4 Space Users Workshop

Tuesday, 11 April 2017

Physics models and validations (13:40 - 15:20)

-Conveners: Robert Reed

time	[id] title	presenter
13:40	[1] Recent updates on Geant4 physics validation for ESA AREMES project	Dr DONDERO, Paolo
14:05	[0] A Bethe-Heitler 5D polarized photon-to-e+e-pair conversion event generator	Dr BERNARD, Denis
14:30	[5] Grazing Angle Soft Proton Scattering Measurements for X-ray Optics	Ms HANSCHKE, Sarah
14:55	[7] Low energy proton scattering at glancing angles: new physics implementation and general validation	Dr FIORETTI, Valentina
