

CubeSat Industry Days 2017

Thursday, June 15, 2017

CubeSat Lessons Learned and Engineering Best Practices - Newton (9:00 AM - 10:30 AM)

-Conveners: Paolo Concari

time	[id] title	presenter
9:00 AM	[62] Mission Reliability - lessons from the Oil & Gas Industry	Mr VAN DE VORST, Hans
9:15 AM	[63] SpaceSuit(e): A smart solution for space environment effects analysis for small and medium space systems	Ms CHAMPLAIN, Amandine
9:30 AM	[64] Radiation hardness simulations and assurance	Prof. ALPAT, Behcet
9:45 AM	[65] Thermal Design, Analysis and Test of CubeSats	Dr HAGER, Philipp
10:00 AM	[66] Mechanical and Thermal Analysis & Design Services for high-performance payloads	Mr MASANTE, Silvio
10:15 AM	[67] New space technology centre and test facility dedicated for 1-12U CubeSat missions	Mr ZABORI, Balazs
