# Asterios for Space Systems

- *Programme: Internal*
- *Budget: 60 K€*
- *Duration: 14 months*
- *Prime: Krono-Safe*
- *Main Objectives:*
  1. Evaluate a “safe by construction” approach of embedded applications.
  2. Assess the impact of the development process on ECSS-E-ST-40C
  3. Evaluate the qualification efforts
