

European Space Thermal Engineering Workshop 2019

Thursday 10 October 2019

Thermo-Elastic - Newton (10:00 - 11:00)

-Conveners: Harrie Rooijackers; Thierry Tirolien

time	[id] title	presenter
10:00	[63] Thermo-elastic test as part of ESA activity: Improvement of methodologies for thermo-elastic predictions and verification	LAINE, Benoit
10:30	[62] Correlation of a Thermal Model for Thermo-Elastic Distortion Predictions	RUTHERFORD, Kimberly

Thermo-Elastic - Newton (11:30 - 13:00)

-Conveners: Benoit Laine; Harrie Rooijackers

time	[id] title	presenter
11:30	[23] Guidelines for accurate thermo-elastic analysis	VAN OOSTRUM, Alexander
12:00	[18] SINAS Made Simple	Mr ETCHELLS, James Mr APPEL, Simon
12:30	[22] SINAS: Benefits and points of attention	VAN OOSTRUM, Alexander
