

ADHA 2020 Workshop (Advanced Data Handling Architecture)

Wednesday, 22 January 2020

Additional information: ESA (11:20 - 12:20)

time	[id] title	presenter
11:20	[16] SAVOIR and ADHA	TERRAILLON, Jean-Loup

Additional information: Industry (13:20 - 16:10)

time	[id] title	presenter
13:20	[17] cPCI presentation with demonstration	
14:00	[18] cPCI-Serial-Space Compliant Remote Data Concentrator & IO-Module	KRIEGER, Joachim
14:20	[19] ADHA applied to AOCS sensors & optical space instrument electronics	
14:40	[20] Activities/development related to backplane	SAKTHIVEL, Anandhavel
15:00	[25] multipurpose controller for remote interface and shelf controller based on cPCI serial space	QEDAR, Ran
15:15	[21] cPCI Components and Development	
15:25	[27] Modular Platform 'EPOS' for Handling Data of Mixed Criticality	MÄKE-KAIL, Matthias
15:45	[28] Electronics products in MDA
