

# Power Workshop 2021, February 9-11

## Wednesday, 10 February 2021

### Energy Storage session (08:45 - 12:00)

time	[id] title	presenter
08:45	[88] Welcome and ESA Energy Storage Roadmap presentation	Ms CARRÉ, Aurore
09:00	[72] Safe Solid State batteries for clean Space - Austrian Institute of Technology	ZHANG, Ningxin
09:30	[73] Innovative High Energy Density Li-Ion batteries operating at low temperature - DUTH University, CERTH Institute, Airbus Company	FARMAKIS, Filippas
10:00	[74] Energy Storage Packaging Optimization - Almatech	IGLESIAS, Angel
10:30	[75] Safety Tests on VES16 Batteries - Saft	TRICOT, Hélène
11:00	[76] Fuel Cells Roadmap and on-going activities at ESTEC - ESA	BUERGLER, Brandon
11:30	[87] CNES Roadmap presentation & Silicon core-shells to enable higher energy density Li-ion batteries	Ms DELBEGUE, Diane Mr RAGE, Bastien
