

Model Based Space Systems and Software Engineering ~ MBSE2021

Wednesday, 29 September 2021

Session 2 ~ Roll-Out Experiences (11:00 - 13:05)

-Conveners: Marcel Verhoef

time	[id] title	presenter
11:00	[9] Welcome by Session Chair	VERHOEF, Marcel
11:05	[10] MBSE in an SME Context	Ms JENKINS, Rhiannon
11:25	[11] First lessons learned from adopting a Model-Based System Engineering approach in early phases of complex satellite systems	Ms GONZÁLEZ RODRÍGUEZ, Belén
11:45	[12] MBSE on MSR ERO: a use case	Mr BERNAUDIN, Jean-Baptiste
12:05	[13] Incorporating Model Based Reviews into the life cycle of the Earth Return Orbiter	Mr AFFENTRANGER, Lorenz
12:25	[14] Application of Digital Exchanges Between Project Partners in the Frame of Envision Project	Mr GARCIA, Gérald
12:45	[15] Towards a MBSE Best Practices Book for Space Projects	Dr COELHO, César
