

SEFUW: Space FPGA Users Workshop, 5th Edition

Wednesday, 15 March 2023

FGAs: High Performance - Erasmus High Bay (17:15 - 18:30)

-Conveners: Lucana Santos Falcon; Florent Manni

time	[id] title	presenter
17:15	[13] SpaceFibre and image compression on RTG4 FPGA (Syderal Polska)	LINOWSKI, Dawid
17:40	[57] Open source reconfigurable processing system for novel high-performance space applications (U. Politecnica de Madrid / Airbus CRISA)	Dr RODRIGUEZ, Alfonso
18:05	[22] SoC-based architecture for high-security Satellite Quantum Communication (University of Padova)	Dr STANCO, Andrea
