

# ATD3 Workshop 2024

**Thursday, 6 June 2024 - Friday, 7 June 2024**

**ESTEC Newton 1&2**

## Scientific Programme

## **Test Case Campaign 2023**

### **Re-entry simulation tools**

### **Experimental capabilities/measurement techniques**

### **Material characterization**

### **Fragmentation, Ablation phenomena**

### **Continuum regime Aerothermodynamics**

### **High altitude regime Aerothermodynamics**

### **Numerical rebuilding of ground tests**
