

Morpheus 2024 : ESA workshop on Edge AI and Neuromorphic hardware accelerators

Monday, 6 May 2024

Research activities and evolutions in AI hardware acceleration: EPFL - Newton 1 (15:40 - 16:00)

Research activities and evolutions in AI hardware acceleration: Imec - Newton 1 (16:00 - 16:20)

Research activities and evolutions in AI hardware acceleration: University of Manchester / TU Dresden - Newton 1 (16:50 - 17:10)

Research activities and evolutions in AI hardware acceleration: CEA-Leti - Newton 1 (17:10 - 17:30)

Research activities and evolutions in AI hardware acceleration: IRT Saint Exupery - Newton 1 (17:30 - 17:50)

Research activities and evolutions in AI hardware acceleration: University of Bologna - Newton 1 (17:50 - 18:10)

Research activities and evolutions in AI hardware acceleration: University of Pisa - Newton 1 (18:10 - 18:30)
