Methodology and Tooling to Reach Category A Software

- Budget: 110 k€

- Duration: 14 months (June 2022 – Juli 2023)

- Prime: GTD GmbH

- Main Objectives:

  1. Provide systematic guidelines to category B projects requiring a promotion to category A

  2. Offer a cost effective process and the corresponding toolset

  3. Ensure that the application of the guidelines produces trustworthy qualification evidences for category A software
