

Session Program

29 June 2026 to 3 July 2026

Clean Space Days 2026

Zero Debris

Monday 29 June

16:00

17:30

Zero Debris: Enhanced health monitoring & reliability
Session

Tuesday 30 June

09:30

Zero Debris: Zero Debris Platform activities
Session

11:00

11:30

Zero Debris: Zero Debris Platform activities
Session

13:00

14:00

Zero Debris: Design for Demise
Session

15:30

16:00

Zero Debris: Design for Demise
Session

17:30

Wednesday 1 July

09:30	Zero Debris: Dark and Quiet Skies Session
11:00	
09:30	Zero Debris: Deorbit & passivation devices Session
11:00	
11:30	Zero Debris: Dark and quiet Skies Workshop Session
13:00	
11:30	Zero Debris: Deorbit & passivation devices Session
13:00	
14:00	Zero Debris: Design for Removal Session
15:30	
16:00	Zero Debris: Design for Robustness to Hypervelocity Impact Session
17:30	

Thursday 2 July

09:30

Zero Debris: Collision Risk management
Session

11:00

11:30

Zero Debris: Space Debris Mitigation requirements compliance & evolution
Session

13:00

Friday 3 July

09:30

Zero Debris: Technical Forum Workshop (Hybrid event)
Session

11:00

11:30

Zero Debris: Technical Forum Workshop (Hybrid event)
Session

13:00
