

Workshop on Memristive systems for Space applications

Thursday, 30 April 2015

Memristor applications: memories - Dance Room (11:00 - 12:30)

time	[id] title	presenter
11:00	[1] Resistive memories (RRAM) - principles and technology	Dr WOUTERS, Dirk
11:30	[2] Memristors, logic and computer architectures	Dr HAMDIOUI, Said
12:00	[3] Radiation hardness of memristive systems	Dr FANTINI, Andrea
