

Workshop on DAST: Nonlinear Uncertainty Propagation using Differential Algebra

Tuesday 22 September 2015 - Tuesday 22 September 2015

ESTEC

Scientific Programme

09.30 – 09.45 Opening / Welcome Address

DACE and DAST Session

09.45 – 10.15 Introduction to Differential Algebra

10.15 – 10.45 Differential Algebra Computational Engine (DACE)

10.45 – 11.00 Coffee break

11.00 – 11.30 Uncertainty Propagation Using Differential Algebra

11.30 – 12.30 Differential Algebra Space Toolbox (DAST)

12.30 – 14.00 Lunch Break

Demo Session

14.00 – 16.00 Hands-on Demo Session
