

Workshop on DAST: Nonlinear Uncertainty Propagation using Differential Algebra

Tuesday, 22 September 2015

DACE and DAST Session - Escape Dance Room (09:30 - 12:30)

time	[id] title	presenter
09:30	[0] Opening/Welcome Address	
09:45	[1] Introduction to Differential Algebra	
10:15	[2] Differential Algebra Computational Engine (DACE)	
10:45	Coffee Break	
11:00	[4] Uncertainty Propagation using Differential Algebra	
11:30	[5] Differential Algebra Space Toolbox (DAST)
